Re: James Arthur Ray

Dear Judge Darrow,

I am a long time fan of James Ray. I have followed as much as I could of what happened at Sedona as well as the trial. Although I was hoping he would be found innocent, I am not going to say anything further about the judgment from the trial as I trust in our justice system to work.

However, I do want to make some comments regarding James Ray. As I said, I have followed Mr Ray's teachings since shortly after The Secret came out. He said so many things that touched my heart and soul, more so than anyone else in the book or on the video or CD set.

James Ray truly changed my life. I was going through a very tough time when I first started reading and listening to him. I'm not sure where my life would be now if I hadn't been introduced to his visions and messages.

I follow him on Facebook and his page is one of the first ones I go to when I sign into Facebook. I look forward to his daily messages and somehow they always seem to come at the right time. I can't tell you how many times I have read something on his page and it was exactly what I was experiencing at that point or exactly what I needed to hear. James Ray has a huge following on Facebook and I feel part of a community when I am on his page. He has thousands of fans and friends on Facebook and we all love him and the messages that he brings to us.

In short, James Ray saves lives. He changes peoples lives every day by giving us positive messages and things to guide our thinking in order to improve our lives. If you go on his Facebook page, you see how many people love him, respect him, and follow the principles that he lays out for us. I have written comments that he responds to personally and I have sent him messages that he always responds to. I'm not sure that I would be enjoying the positive things that I now have in my life if it hadn't been for James.

Please keep in mind that there are thousands of us who need James to remind us of what is important in life. I suffered when he was in prison before the trial. I ask that you give him leniency and only probation so that he can continue to help and have an impact on those of us who not only follow him, but love him who he is and the help that he gives us on a daily basis. Life is tough. It feels less tough to me since I started practicing his teachings.

Thanks you for your time and consideration. May God be with you.

Nancy Winters
